

ABOUT THIS CLASS

This foundational program focuses on the Construction Team. While Construction Leader and Construction Foreman (also offered in the Construction U curriculum) examines many valuable leadership topics, the Construction Team is a complementary program which focuses primarily on a team approach to construction leadership.

THE SPEAKER

Michael Somers The Construction Classroom

Mike is a graduate of the University of Wisconsin-Stevens Point with a degree in Business Management. He has more than 30 years construction experience as owner and manager of construction businesses in Wisconsin. Mike has served on the ABC Wisconsin Board of Directors and was the driving force behind the creation of the ABC Heavy Equipment Operator Apprenticeship program, having taught the program for several years. Currently, Mike teaches several construction leadership and management courses for ABC Wisconsin. In addition, he continues to travel throughout the United States and Canada teaching construction professionals and sharing a lifetime of “real experiences” in and personal enthusiasm for construction.
